

CORPORATE VOLUNTEER PROGRAM

Group Volunteer Day

Volunteering for a group volunteer day is a great way to promote a sense of camaraderie and teamwork amongst your employees while simultaneously promoting park stewardship and giving back to the local community.

We welcome corporations of all types and sizes to join us in the Park for a rewarding day of fun and service. Your group volunteer day lasts three hours and can include lunch in the park if desired.

Group volunteer activities may include:

- Painting benches or fencing
- Prepping and planting
- Removing invasive plants or weeds
- Sustainable garden maintenance
- Sweeping park pathways
- Mulching
- Raking leaves

Volunteer Group Donation

Coordinating Volunteer Days and maintaining the Park has both operational and material costs for the Esplanade Association. Because of this, we ask our corporate and for-profit volunteer groups to support our management of this program with a tax-deductible donation to the Esplanade Association. This mandatory fee is based on the size of your group (see chart). Your organization will be recognized for your support on EA's Facebook and Twitter pages.

Plan Your Outing!

Volunteer Days begin the third week of March and are scheduled most Tuesdays, Thursdays, and Saturdays from 9am-12pm. If your organization cannot volunteer on these days, please contact our Stewardship Manager, Micah Jasny. To schedule your volunteer day, email mjasny@esplanadeassociation.org, or register online at esplanadeassociation.org/volunteer.

Corporate Group Donation Rate
