
Esplanade Association

Job Title: Horticulturist (2)
Position Status: Full-time, seasonal (May to November), non-exempt
Reports to: Horticulture Manager

Position Description:

The Esplanade Association is seeking two experienced landscape professionals to provide direct support to EA's in-park Horticulture Program by providing care and maintenance of landscape areas including hardscapes, gardens, lawns, trees, shorelines, playgrounds and architectural features. The horticulturist will work under the general supervision of the Horticulture Manager, and with other horticulture staff, program staff, and volunteers to perform their duties.

The Horticulturist position requires the ability to recognize and adhere to best Horticultural practices in an urban park setting, including but not limited to, knowledge of plant identification, soil health, organic landscape practices, pruning, cultivation techniques, and general maintenance. In addition to routine horticultural duties, the position requires supporting in-park volunteer groups throughout the season.

About the Esplanade Association (www.esplanade.org):

The Esplanade Association (EA) is an 18-year-old non-profit dedicated to revitalizing, enhancing, programming, and maintaining the historic Charles River Esplanade in downtown Boston. The Esplanade is a 64-acre park revered for its natural beauty, riverfront access, miles of populated running trails, and thoughtful programming. Last year, the Esplanade Association launched a Tree Care Management and Succession Plan, helped bring a beer garden to the park, produced dozens of high quality events, and much more. It's an exciting time to join a growing team at a small, visible, and successful non-profit!
